

# INUG 2019 – Agenda

Delivering Real Results

October 8 – 10

Hotel Marina Tower, Saltsjöqvarn, Stockholm

How to find the place? See page 9

**Welcome to this year's user group meeting! It covers three days, two for training and one for conference.**

Now we are back at Elite Marina Tower in Saltsjöqvarn! Here is the content of training and conference. Please note that the content might change, be on the lookout for news in your e-mail. The agenda is also presented at our website.

Tuesday October 8 and Thursday October 10 are training days, you will find the content at page 3. This year we focus on getting ourselves on a higher level to everything that is new and great! Everyone that attends a training gets documentation from all sessions, based on version 7. Tuesday we finish with a gathering for drinks and dinner for those who want.

Wednesday October 9 we start off with Fred Powers, CEO and co-founder of Dimensional Insight who will tell us about product news among other things. This year he will be joined by Nora Lissy, expert in Dimensional Insight's healthcare solutions. Very interesting!

Exciting customer presentations from Freja and Piteå kommun amongst others with a lot of inspiration will of course be on the agenda and also Tips & tricks from Infotool and Dimensional Insight!

The Wednesday finishes with dinner and entertainment at Wallmans, a favourite!

The Tech Kiosk is open all three days for all kinds of questions regarding Diver Platform.

***Välkomna till Stockholm och Saltsjöqvarn!***

### Teknikkiosken, Tech Kiosk

At the Tech Kiosk you can ask questions about, and look at, specific functions in the latest releases of Diver Platform. Look for our roll-up "Teknikkiosken"!

Reps from our Tech Department that you usually contact at [support@infotool.se](mailto:support@infotool.se) or by phone are available during the conference to answer your questions, gather ideas for new features and give you specifics on what the Spectre technology can do to help you and your company.

Welcome!

Any questions can be directed to [gunilla.gustafsson@infotool.se](mailto:gunilla.gustafsson@infotool.se), + 46 705-156685.

Thank you to all that makes this conference possible:

Find the place

---

There are many ways to get here but the favourite is by boat:

Boat from Nybrokajen approx 10 min

Sjövägen boat Nybrokajen – Saltsjöqvarn time table: [www.sjovagen.nu](http://www.sjovagen.nu).

GPS coordinates

59.31567, 18.11100

By car from Slussen

Take Stadsgårdsleden towards Nacka. Turn left at the large crossing Danvikstull, onto Kvarnholmsvägen, first left Hästholmsvägen and straight through the tunnel. Keep left at the dock and the hotel is on the left side. Get parking ticket from reception.

Taxi

City center approx 10 min

Arlanda approx 35 min, 45 km

Bromma approx 20 min, 10 km

By foot from Södermalm

Walk over the bridge Danvikstullsbron. Then take the stairs leading under the bridge and follow the waling path through the park. Take left on Sjökvärnsbacken.

Bus and subway

Bus 53 ( from T-Centralen or Slussen) stops at Saltsjöqvarn, there is an elevator that will take you to the hotel.

Many buses from Nacka and Värmdö and Saltsjöbanan stops at Henriksdal on Värmdöleden. Follow the pathway from Danvikstullsbron and then take the stairs down and walk through the park. Take left on Sjökvärnsbacken.
